53 responses

8. The size/quantum of curriculum is according to the course duration given for it.

53 responses

## Teachers' Feedback on Syllabus: 2021-2022

### Analysis and Action Taken Report

Question	Response (major indicators are considered)	Percentage of Response
The books and the references prescribed in the syllabus are sufficiently informative.	Agree	83
The syllabus takes care of different types of learners like slow, average or advanced.	Agree	69.8
Syllabus includes interdisciplinary topics.	Agree	52.8
Syllabus includes topics related to competitive exams like NET/SET/GATE.	Agree	71.7
Syllabus includes socially-applicable topics and holds a problem-solving approach.	Agree	47.2
The syllabus is in concordance with the kind of employment and entrepreneurship available in the field.	Agree	62.3
Syllabus includes the content related to the recent research area and advanced techniques in the subject.	Agree	64.2
The size/quantum of syllabus is covered in the duration given for it.	Agree	77.4

#### Suggestions received (representatively quoted as received)

- Applied and Practical aspects of the content must be included
- Must add colonial History in the syllabus (BA- History)
- Experiments related to asymmetric synthesis should be added (MSc- Chemistry)
- delete any one life cycle from each section as algae and fungi (TYBSc-Botany)

- For computer science, proofs of the theorems can be deleted. Only the statements of useful Theorems be taught. (FYBSc. Comp. Sci)
- latest psychological tests can be added rather than age old tests. (MA1-Psychology)
- Books are limited and mostly foreign authors (MA-2-Psychology)
- Topics to be added-1) structuralism 2) Feminism 3)Marxism 4)Post-structuralism 6)Cultural Studies at introductory level (TYBA- English)

## Observations

- Teachers find syllabus updated, useful and relevant
- Teacher find syllabus having sufficient employment opportunities
- Teacher feel that syllabus is linked with social issues
- Teacher feel that syllabus can be finished in the given time
- Focus should be latest trends in subject

## Action to be taken

- 1) Making Feedback on Syllabus by teachers more exhaustive, keeping in tune with NAAC criteria
- 2) Observations on the syllabus will be sent to Savitribai Phule Pune University for consideration.
- 3) A request would be made to the University to incorporate suggestions made by students while framing new syllabus
- 4) Topics that are not included in syllabus can be taken up for extra credit courses and certificate courses.
