The overall quality of teaching-learning process in your institute is very good.	Agree and more	86.8

Observations

- Students are satisfactory with the overall academic interaction and ambience in college.
- Students are very satisfied about teachers' performance, classroom interaction and assessment process.
- Students are satisfied about encouragement from teachers to participate in co-curricular and extra-curricular activities
- Students are satisfied with the use of technology by teachers.
- Student need more skills oriented programmes.

Actions to be taken

IQAC would initiate following steps to meet the students' expectations

- Teachers would be asked to undertake the mentoring work more rigorously as the college has almost come back to normalcy.
- Teachers would be asked to discuss in detail the students' performance in the internal assessment.
- Wherever possible, teachers will be advised to conduct practical activities like field visits, projects and presentations.
- College will organise skills development programmes along with entrepreneurship development programmes.
- College will organise Career Advancement Course to complement the syllabi.
- IQAC will play a proactive role in keeping teachers abreast with new domains of knowledge so that students will be the ultimate beneficiaries.
