Students' Feedback on Syllabus: 2022-2023

Analysis and Action Taken Report

| Question | Response (major indicators are considered) | Percentage of Response |
|--|--|------------------------|
| The books and the references prescribed in the syllabus are sufficiently informative | Agree | 75.8 |
| The syllabus/program sufficient number of electives | Agree | 73.8 |
| Syllabus includes interdisciplinary topics | Agree | 72.2 |
| Syllabus includes topics related to competitive exams like NET/SET/GATE | Agree | 57.9 |
| Syllabus includes socially-applied topics and holds a problem-solving approach | Agree | 71.1 |
| The syllabus is in concordance with the kind of employment and entrepreneurship available in the field | Agree | 61.9 |
| Syllabus includes the content related to the recent research methodology and advanced techniques | Agree | 69.7 |
| The size/quantum of curriculum is according to the course duration | Agree | 67.2 |

Suggestions received (representatively quoted as received)

- Emphasis should be given to more of practical knowledge
- Research oriented topics should be included.
- Maximum content should be of industrial based
- More topics related to NET or SET or GET exam
- More topics about employment and entrepreneurship

Observations

- Students are satisfied about the overall content of syllabus
- Students are satisfied about the relevance of syllabus
- Students are satisfied about the usefulness of syllabus
- Students are satisfied with the interdisciplinary nature of syllabus
- New topics which are in demand in market should be included in syllabus
- Syllabus should be skill-oriented and boost entrepreneurship and employability.

Action to be taken

- 1) Making Feedback on Syllabus by students more exhaustive, keeping in tune with NAAC criteria
- 2) Observations on the syllabus will be sent to Savitribai Phule Pune University for consideration.
- 3) A request would be made to the University to incorporate suggestions made by teachers while framing new syllabus
- 4) Topics, which are excluded from syllabus can be taken up for extra credit course and certificate courses
