NOTICE FOR F.Y.B.Sc. STUDENTS

20/12/22

Bureau of Indian Standards (BIS) is the National Standards Body of India under the Ministry of Consumer Affairs, Food and Public Distribution, Government of India. Various activities of BIS include standardization of products, processes, validation of products and Hallmarking of precious metals like Gold.

6th January is a foundation day of BIS. Students are required to work as volunteers for this activity. They will have to propagate information about BIS among the general public by interacting with minimum 25 households in Nashik, explaining them about BIS and its activities, distribute BIS pamphlets, demonstrate BIS website and mobile app. As a part of BIS Foundation Day celebration, they have organized **Door-to-Door Campaign**. A write up regarding the BIS will be made available to volunteers. A feedback form from each household will be required to be filled on mobile App.

Our College has already formed a '**Standards Club**' in association with BIS. For this club, 20 students from various departments have been selected and Dr. Leena Pathak is working as a mentor. We are happy to inform you that for the activity of **Door-to-Door Campaign**, BIS authorities have invited our College to participate in it. The Standards Club of our College has decided to participate in this activity.

Hence, we appeal to all F.Y.B.Sc. students to participate in this activity and work as volunteers. All the volunteers will be provided with T-shirts, Caps, Badges and Certificate. The volunteers will be given an **honorarium of Rs.1500/-** after completion of the task of submitting 25 feedback forms. A short training will be arranged in the last week of December 2022.

Interested students should send their names and mobile numbers on WhatsApp to **Dr. Leena Pathak** on Mobile No. 9890015094 up to 24th December 2022.

REPORT

Training for door to door campaign by Bureau of Indian Standards (BIS)

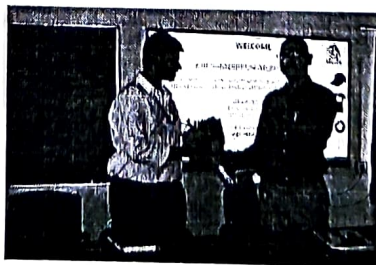

Bureau of Indian Standards (BIS) has selected H.P.T.Arts and R.Y.K. Science College for the activity of 'door to door campaign'. The activity has been planned to celebrate the foundation day of BIS on 6th December 2022. Under this activity, students are expected to visit minimum 25 households and increase the awareness among common public about BIS activities, importance of standardization, hallmarking of precious metals etc.

Total 50 students from F.Y.B.Sc. class and 20 students who are members of the 'Standards Club' established in our college in association with BIS have registered for this campaign. In order to provide proper guidance and training to participating students, Mr. Sameerkumar from BIS, Mumbai office visited our College on 30th December 2022 at 11.30 a.m. Mr. Sameerkumar explained the activities of BIS to these students with the help of powerpoint presentation. He also demonstrated installation and use of BIS-Care App on mobile phone and also how to explore BIS web-site.

During this training, BIS distributed a kit with a t-shirt, cap, badge and brochure to every student. Students were told to start the campaign from 3rd December 2022 and complete it in a week. It was informed that after completion of the task, students would get a certificate and an honorarium of Rs.1500/- in their bank account.

The training was organized by 'The Curious Minds', Science Association of our College under the guidance of Principal Dr.M.D. Deshpande. Vice-Principal Dr. L.P. Sharma was a chair person for this training. Co-ordinator of the Science Association, Dr. L.P. Pathak helped in organization of this training. Overall the program was very effective and fruitful.

Total 72 students have attended the session.
